

Term 1, Week 10 – 6th April 2017

THOUGHT FOR THE DAY

Edmund Rice Education Australia Touchstone Gospel Spirituality

We invite all people into the story of Jesus and strive to make his message of compassion, justice and peace a living reality within our community.

Easter Sunday is considered to be the most important feast day of the Christian Calendar. Jesus's resurrection signifies *"that love can triumph over hatred, mercy over sinfulness, goodness over evil, truth over falsehood, life over death"*.

Pope Francis Easter message 2014

We will celebrate the message of Easter once again this year through a Liturgy in conjunction with the staff and students of St Joseph's. Through a powerful performance of the Stations of the Cross performed by students from both Colleges, combined with prayer, reflection and music, students will engage with the important messages of this Holy Season. This is a wonderful yearly event and parents are welcome to attend.

FROM THE PRINCIPAL REPORTS

The College has introduced an Interim Report for Years 7-11. These reports will be uploaded to the Parent Portal at the end of the term. The focus of this report is to provide you and your son with specific information in relation to his level of application and effort to his studies and not on his performance in terms of a mark or grade. The descriptors in this report are based on the Colleges Code for Learning, which outlines the expectations of all students in relation to their learning. These reports will be provided in term 1 for students in Year 7-11 and term 3 for students in Years 7-10. The semester reports at the end of terms 2 and 4, will continue to provide more detail including a grade, achievement of course outcomes a classroom profile based on the Code for Learning and a comment by class teachers in each subject. Year 11 students will receive a more detailed report at the end of the Preliminary Course, which they complete by the end of term 3. Year 12 students and parents will be provided with a report early in term 2 based on their performance in the Mid-Course Examinations and Course assessments to date as well as a Trial HSC Examination Report.

START OF TERM 2

Term 2 will begin on Monday April 24th with all classes scheduled as per normal. This day is **not** a Staff Development Day and all students are expected to be in attendance.

PARENT TEACHER NIGHTS

Parent Teacher Nights are scheduled for Tuesday 2nd May and Thursday 18th May. These interviews provide an excellent opportunity for you to meet with your son's teachers to discuss in more detail his progress in relation to his learning goals and achievements for the term. It is important that your son attend these interviews with you. You will receive an email early in term 2 with the details on how to log in to the Parent Teacher Online booking system and I encourage you to book these interviews early, to ensure that you do not miss out on meeting your son's teachers.

OLD BOYS

The St Edward's College Old Boys Union is seeking interested former students to join their Committee. The Old Boys Union has been in existence for over 10 years with members dating as far back as the 1950's. The key goals of the Old Boys Union is to provide an avenue for past students to keep in contact with school friends, provide an opportunity for the establishment of a business directory of old boys, raise funds to support current students through scholarships and to represent the Old Boys at school functions.

If you are a family who has a brother, uncle, father, cousin or friend who is an Old Boy of the College, I ask that you pass on this message, encouraging them to become a member of the committee. The next Old Boys meeting will be held at St Edward's College on Monday 1st May at 5:00pm. The committee is planning a reunion day at the College in September that will become an annual event. Any ex-student who is interested in joining the Old Boys Committee is asked to contact Mark Bonnici, Principal of St Edward's College at principal@stedwards.nsw.edu.au

For further information on the Old Boys Union visit the College website at:

<http://www.stedwards.nsw.edu.au/parent-and-community-information/dsp-default.cfm?loadref=206>
or Facebook page: <http://www.facebook.com/StEdwardsEastGosfordOldBoysUnion>

COLLEGE BOARD EXPRESSIONS OF INTEREST

The St Edward's College Board requests interested members of the community to submit an expression of interest to fulfil the role of Board member. School Board members are volunteers working collaboratively with the Principal in the stewardship of the College within the context of EREA. Members of School Boards are chosen to meet the expertise requirements of the Board, not as representatives of any body. The Board is currently seeking members who have expertise in the areas of advertising, marketing or law. Any person interested in being considered for a position on the St Edward's College Board is asked to complete an expression of interest containing two referees, outlining relevant experience and qualifications. The expression of interest should be addressed to the College Principal at principal@stedwards.nsw.edu.au

Further information regarding the design and functions of the College Board is available from:
<http://www.stedwards.nsw.edu.au/about-st-edwards-college/dsp-default.cfm?loadref=160>

2018 ENROLMENTS

The College is now accepting enrolment applications for Year 7 2018. Prospectus packages were delivered to each of the Primary Catholic Schools across the Central Coast. These packages are also available to be collected from the Enrolments Department at the College. The enrolment information clearly outlines the enrolment criteria. The closing date for applications is Friday 28th April. Every family applying for their son to attend St Edward's will be offered an interview with a member of the College Leadership Team. This interview is designed to provide parents with an opportunity to ask questions that are more specific about the College and enrolment process. Places at the College are not offered at these interviews and first round letters of offer will be mailed to families by the end of Term 2. Current families who are aware of family or friends who wish to apply for their son to attend St Edward's are asked to encourage them to visit the College to collect a prospectus and begin the process of enrolment.

COAST SHELTER

Our next volunteering night is on Monday 24th April, 5.30-7.30pm. Please ring me asap if your son (and perhaps you) can assist. 5 Waterford hours.

UNITING CHURCH GOSFORD HOMELESS SUPPORT

The college is hoping to build the numbers of our team on Sunday lunches for our local homeless people, at Gosford Uniting Church. Please contact me if you can support this. Boys receive generous Waterford hours for this Sunday volunteer program).

GO BACK TO WHERE YOU CAME FROM

This is a highly-recommended TV SBS series from recent years, as it portrays the reality of life for asylum seekers and refugees. It is shown in RE classes at the college in the context of relevant topic areas. This documentary highlights the facts about refugees and asylum seekers. For example:

1. It is not illegal or criminal to seek asylum, under any Australian or international law
2. Refugees are not queue jumpers
3. 85% of asylum seekers were found to be genuine (ERC for Justice facts sheet)
4. Some refugees sent home by Australian governments were murdered or never found again
5. Christians, as followers of Jesus, see people who suffer war, poverty and violence, with compassion and respect-not fear and hatred.

WATERFORD AND EDMUND RICE HONOURS

Below is a sample of students who are moving towards achieving EDMUND RICE HONOURS at Awards Night in December. The college expects that approximately 100 students will achieve this milestone, by choosing to serve more than 100 hours for others in this year. Please encourage your son to join this group and advantages for him striving for this honour include:

- ♦ personal satisfaction and confidence
- ♦ formation of character
- ♦ a balanced life; i.e. school work, sport, paid work, friends, and service for others
- ♦ resume advantages (gaining the edge over other candidates for jobs)
- ♦ building a range of skills
- ♦ gaining ideas for future career choices
- ♦ being a practical part of the Christian story and message
- ♦ possibility of further/higher awards such as Order of Australia Commendation Medal
- ♦ being part of the 55 Edmund Rice schools across Australia

The boys listed below are examples of students who have completed 40 hours by this early stage and we acknowledge and congratulate them.

Aaron Judd, Thomas Judd, Harry Moriarty, Kai Darwin, Kyle Donaldson, Michael Missak, Christian Campbell-Smyth, Jack Conroy, Harry Martin, William Nguyen, Toby McNeill, Nathaniel Hobson, Lars Cleeren, Ben Stephens, Liam Bruchhauser, Sam Edwards, Alejandro Murdoch, Nick Haughain, Ben Poate and Kai Wheelock.

Please ask your son to see me if he would like to be added to this list, for having achieved 40 hours so far.

Mr Pat Dell, Social Justice Coordinator

SECOND HAND BLAZERS

If your son has not yet purchased a blazer please contact Mr English before the end of term as he has a number of second hand blazers of different sizes available for purchase for a variety of prices. All money goes back into Pastoral Care and is used to support students.

safeTALK

safeTALK is a half-day alertness workshop that prepares anyone over the age of 15, regardless of prior experience or training, to become a suicide-alert helper. Most people with thoughts of suicide don't truly want to die, but are struggling with the pain in their lives. Through their words and actions, they invite help to stay alive. safeTALK-trained helpers can recognise these invitations and take action by connecting them with life-saving intervention resources, such as caregivers trained in ASIST.

Who should attend a safeTALK workshop?

safeTALK offers valuable skills to everyone 15 and older and requires no formal training or prior experience in suicide prevention. Because it only takes half a day to learn, safeTALK is an excellent tool for people who want to become alert to the dangers of suicide in a convenient timeframe. Although formal caregivers such as social workers and counselors employ safeTALK skills, the program is also used by students, teachers, community volunteers, first responders, military personnel, police, public and private employees, and professional athletes—among many others. By providing a universal model with adaptable components, safeTALK offers useful skills to every audience.

What can I expect at a safeTALK workshop?

safeTALK is a powerful experience. You can expect to feel challenged, empowered, and hopeful. Your safeTALK trainer will demonstrate the importance of suicide alertness and help you identify ways people invite help when they're at risk. safeTALK's steps provide a simple yet effective method to engage with people at risk and connect them with resources that can carry out a full-scale intervention. At the end of the workshop, you'll have a chance to practice these skills firsthand. All in all, you can expect to leave safeTALK with practical knowledge of how to identify someone at risk and link them to life-saving resources.

How much does it cost to attend?

There is no charge for places but **we ask for a gold coin donation and that you can bring supper plate to share**

Training is sponsored by Gosford North Rotary under the Save our Kids Project on the Central Coast.

"SMILING MINDS "- MINDFUL MEDITATION INITIATIVE- ST EDWARD'S COLLEGE- 2017

Mental illness is a major growing concern facing all Australians. One in five adults will experience mental illness in any one year and one in two in their lifetime (WHO). Mental health is particularly important during childhood and adolescence. It is also known that half of all lifetime mental health disorders emerge by age 14 and three quarters by age 24 and, according to the Australian National Mental Health Survey, more than a quarter of Australians aged 16-24 have experienced a mental disorder in the previous 12 months. The recent report on the second Australian child and adolescent survey of mental health and wellbeing revealed that there is a real need to improve mental health outcomes for our youth and to adopt a preventative approach to mental health.

A large research project, trialling a specifically targeted mindful meditation app, was held across 12 Victorian schools over the past 3 years. Data collected has shown that the benefits of such practice are extensive and diverse, including improved student safety at school, less classroom disruptions and, for at risk students, reduced psychological distress, enhanced positive wellbeing, improved classroom behaviour and reductions in bullying. Similarly, for teachers and adults, regular mindful meditation improved the quality of sleep, reduced psychological distress, reduced tension, improved concentration and mindfulness with the ability to be more able to describe and accept emotions.

With these outcomes in mind, St. Edward's staff have been trialling the use of *Smiling Minds* Mindful Meditation App and other mindful practices over the past two months. The intention is then to introduce these practices to our students within the primary context of tutor early in Term 2. Students will be asked to download this free app on their phones so that they can use these mindful meditation exercises in their leisure and when a perceived need arises. Like all such practices, the aim is to practise these skills on a regular basis, preferably at least 3 times a week, so that the breathing meditation becomes a habit.

If you would like more information, please don't hesitate to contact me via email. I will be doing a presentation and practice for our Parents and Friend Committee on Wednesday 24th May and if demand is sufficient, I will follow up with a further parents' forum. Also feel free to explore the *Smiling Minds* App yourselves. <https://smilingmind.com.au/>

JAPANESE VISITORS

Thank you to those families who have expressed interest in hosting a Japanese visitor. Information and application forms to be a Host Family are now available from Mrs Papeix. Host families are still needed for our Japanese visitors so please consider this great opportunity of bringing two cultures together.

FRENCH EXCHANGE

There are several French students from Lycée Théas in Montauban (Years 10 – 11) who would love to come to St Edward's for about 6 weeks in June – August this year. This is a wonderful opportunity to host a French student and then go to France at the end of the year to experience life and school in France. It would only cost you your airfare, insurance and spending money. You do NOT need to be studying elective French. You also earn Waterford hours.
Please see **Mrs Papeix** ASAP if interested. Merci!

HSC 2020 MINIMUM STANDARDS IN LITERACY AND NUMERACY

In late 2016 NESA – NSW Education Standards Authority (formerly known as BOSTES) announced a requirement of minimum standards for Literacy and Numeracy, for students wishing to complete their HSC in 2020. The first cohort that this will affect is the current Year 9 students. We advise that parents should not be concerned, as the introduction of minimum standards to the year 9 cohort is, an *early opportunity* to display their skills in Literacy and Numeracy. There will be several opportunities prior to and after the completion of year 12 to acquire the minimum standards. NESA is currently developing resources for principals, teachers, parents and students to assist in clarifying the minimum standard for the HSC in 2020.

Please click the URL below (if the link does not work, please copy and paste into your browser.)

Here you will be able to view the:

- Minimum standard that has been set
- Online tests available for students to demonstrate they meet the standard.

Importantly, the materials outlined in the flyer clarify the *early opportunity* for year 9 students to meet the standards, when sitting the Naplan tests in 2017.

It is possible to reach the minimum standard across Reading, Writing and Numeracy in Naplan 2017. Should the minimum standard, be achieved early, then the student has demonstrated early, their knowledge of Literacy and Numeracy.

Should a student reach the minimum standard in one strand only, then that student will have multiple opportunities to display their knowledge, up to 5 years past the commencement of their first HSC course. No student will be ineligible to sit for the HSC based upon their year 9 Naplan results.

Those students who meet the standard in Year 9 will not be required to undertake further testing. Students will be provided with ongoing testing opportunities throughout Years 10, 11 and 12.

With a stronger focus on literacy and numeracy in schools, the vast majority of students will demonstrate the minimum standard by the end of Year 12. At the current time, NESA is continuing to work with principals, schools and other stakeholders to plan and implement the requirements for 2020. We will keep you informed as the details are finalised.

SPORT

BBSSSA SWIMMING

On Tuesday 21st March, the College swimming team attended the BBSSSA carnival. The team consisted of:

JUNIOR SWIMMERS (12, 13 and 14 years)

- Bryn O'Grady-Cousins
- Aymn Hamilton
- Ryan Green
- Nicholas Green
- Daniel McLoughlin
- Toby Armstrong
- Luke Richards
- Connor Murray
- Joel Barry
- Riley Marotta
- Jaden Beard
- Kyle Graham

INTERMEDIATE SWIMMERS (15 and 16 years)

- Fletcher Armstrong
- Jacob Curcio
- Zachary Payne
- Jacob Barrett
- Charlie Jeffries
- Jack Birt

SENIOR SWIMMERS (17+ years)

- Patrick Uljan
- Finnegan (Finn) Flaherty
- Ethan Dodds
- Beau Jeffries

Like true athletes, the boys were not deterred by the early start or by the early morning Sydney traffic. The teachers were equipped with coffee and the students with their music. The day brought a number of individual wins (*and a few losses*). **Ethan Dodds** swam his way into a new record for the 50 m Backstroke (27.92). The **Eddies relay teams** won six out of the seven relays. **Amy Hamilton** won the BBSSSA Age Champion 12 years; **Daniel McLoughlin** won the 13 years Age Champion and **Jacob Barrett** for a consecutive year in a row was named the BBSSSA Age Champion in his division; 16 years. At the end of the carnival, Eddies won overall the Junior Boys, Intermediate Boys and the Opens Division: Three new trophies to add to our collection of sporting memorabilia.

As always, the boys were great ambassadors for the College. Polite, courteous and truly showing what it means to be part of a team.

NSWCCC SWIMMING

On Friday 31st March, our swimmers competed for Broken Bay in the NSWCCC Swimming Titles. The team consisted of:

JUNIOR SWIMMERS (12, 13 and 14 years)

- Bryn O'Grady-Cousins
- Aymn Hamilton
- Ryan Green
- Nicholas Green
- Daniel McLoughlin
- Luke Richards
- Riley Marotta

INTERMEDIATE SWIMMERS (15 and 16 years)

- Jacob Curcio
- Jacob Barrett

SENIOR SWIMMERS (17+ years)

- Patrick Uljan
- Ethan Dodds

Some fantastic individual and team results came out of the carnival, with the following notable mentions. These boys will now contest the NSW All Schools Swimming in May.

- Daniel McLoughlin winning the U13 50m Butterfly and 3rd in the 50m Backstroke
- The 4 x 50m Freestyle Open Relay Team (Jacob Barrett, Pat Uljan, Jacob Curcio and Ethan Dodds) placing second
- Aymn Hamilton placing 3rd in the U12 50m Breaststroke
- Jacob Barrett placing 3rd in the U16 50m Freestyle

BROKEN BAY CHAMPIONS - OPENS TOUCH FOOTBALL REPORT

On Tuesday 7th March, 11 members of the Opens Touch Football team travelled to Melville Oval, Forestville to compete in the Broken Bay selections for the CCC team. The boys were excellent ambassadors for the College. We had some very strenuous games against fierce competitors, however the sportsmanship and camaraderie of the boys was a highlight of the day.

In our first game we defeated St. Peters 5-1 with Reece Piepers and Kai Renshaw each scoring 2 tries. Our second game against Mackillop was strongly contested with our boys winning 5-3. Quick play the balls and good driving ensured that our next game against St. Paul's was a 4-1 win. We capitalizing with some fast attack and good defence, again winning 5-2 against a solid St Augustine's team. St Augustines put on 2 quick tries in the first few minutes and this was a real wake-up call for the team after 2 relatively easy games. Mason Jones scored 2 tries in this game. We defeated St. Leos with great ball skills and outstanding defence, the score being 4-2 in the pouring rain. Our final game was the ultimate decider for the gold medal and the boys, although tired, maintained their straight line defence, beating Mater Maria 4-2.

This ultimately made us undefeated gold medal winners. Kai Renshaw and Nathan Smith were the top try scorers with 5 tries each followed by Reece Piepers, Mason Jones, Johnny Saley and Kyle Lang on 3 tries each.

Defensively, Alex Halls, Johnny (tenacious) Saley and Tom Sawyer were brilliant. Seven boys, Johnny Saley, Kai Renshaw, Alex Halls, Nathan Smith, Mason Jones, Reece Piepers and Mitchell Richardson were chosen as possible/probable players and at the end of the day, Mitch, Johnny, Kai and Alex were chosen as part of the Broken Bay squad. It was an honour coaching such a lovely group of young men. A special thank you also to Eddie Dillon for attending the day as a referee.

YEAR 7 RUGBY 7'S

We'll ring out three cheers for St Edward's! What a successful day for the College:

The A team went through to claim the title of Central Coast Rugby Sevens Champions in emphatic style, while the B team finished a respectable third place, with their only loss for the tournament coming at the hands of their fellow Eddies mates in the semi-final.

Not only did the boys perform exceptionally well on the field, spectators were commenting on the wonderful sportsmanship that they displayed by clapping and encouraging other teams from the sidelines. At the conclusion on the day, Jackson Ryan, the captain of the A team, held aloft the winner's trophy with a smile from ear to ear, and a great day was had by all.

Thank you to Mr Steele and Mr Carpenter for your assistance, and Mr Doherty for coaching the B team on the day.

Mr Sullivan (Coach)

Through my Eyes

Central Coast Youth Portrait Competition

Encouraging creativity and providing an opportunity to showcase original art works, this competition invites our youth to complete portraits of seniors in the community. Inspired by the Blue Mountains Library Service, this event is a great opportunity to bring together these two different age groups, telling life stories in a collaborative artistic effort.

The event itself will consist of a number of components including portraiture workshops during the April school holidays.

Age groups:

Junior 15-17 years
Senior 18-21 years
Prizes will be awarded to each age category.

Entries close at 5pm Friday 26 May, 2017. Forms are available from any Central Coast Council Library Branch.

Portraits will be on display 5-9 June, 2017.
