Term 3, Week1 – 20th July 2017

THOUGHT FOR THE DAY

Edmund Rice Education Australia Touchstone Justice and Solidarity

We are committed to justice and peace for all, grounded in a spirituality of action and reflection that calls us to stand in solidarity with those who are marginalised and the Earth itself.

The Christian Brothers maintain a proud history of service to those at the margins of society both nationally and internationally. This commitment is strongly demonstrated through the range of ministries and services they provide in impoverished regions throughout the world. I am privileged to have been provided with the opportunity to participate in an immersion experience in Nairobi, Kenya over the last school holidays to witness the dedication of Christian Brothers from Australia working alongside Kenyan Brothers and many volunteers, to provide care for people of the Kibera and Mucuru slums of East Africa. These wonderfully passionate men and women provide a range of educational, health, employment and community services to the poorest of poor people who are living in conditions that words cannot describe.

St Edward's has established a strong relationship with organisations such as the Ruben Centre, within the Mucuru slum. This centre provides free quality education for 2600 students, a health clinic, a mother and babies centre, a children's nursery, a dentist, a community focused local radio station, an environmentally sustainable fruit and vegetable garden and a variety of adult educational services. The Mary Rice Centre provides education and physical therapies for disabled students from the Kibera slum, in classrooms made from shipping containers. This facility also provides a meeting place for the Kibera Youth group who plan and implement fun and challenging day camps throughout the year, for young people from the slum. *Women for Women*, an organisation which is conducted by the Loretto Sisters, seeks to find sponsorships and placement for young children into primary and secondary schools as well as micro-finance and educational programs for women from the Kibera slum. These are just a few of the amazingly generous, life giving agencies that exist in these challenged communities.

In November of this year, five Year 12 students will accompany Mr English and myself on a similar immersion to Kenya. This life changing experience will provide an opportunity for students to work with youth leaders in running day camps, spend time with disabled children at the Mary Rice Centre, participate in cross cultural conversations with students at informal schools in the slums of Kibera as well as visit to the Nairobi National Park *Sheldrick Elephant Orphanage*. This is a great opportunity which I encourage all students to consider participating in when they reach the senior years at St Edward's.

FROM THE PRINCIPAL

RISING TO THE CHALLENGE

At the start of this year, students were encouraged to Rise to the Challenge of achieving their personal best in all endeavours. The Semester One Academic Reports provide detailed feedback for each student in their pursuit of this goal. It is important to emphasise the role that the teacher's comments and indication of level of achievement in relation to the Code for Learning play in guiding students for ongoing improvement. Students are encouraged to read carefully and reflect on these aspects of the report in establishing learning goals for the remainder of the year. Religious Education teachers will once again work with students in reassessing their learning goals and developing strategies for ongoing improvement. Parents are encouraged to engage in conversations with their sons about these goals. The Term 3 Parent Teacher Evenings, which are to be held on Tuesday 22nd August and Thursday 31st August, will provide students and parents with an opportunity to discuss student progress to date. Parents who would like information on how best to support their sons in achieving their goals can visit the Independent Learning Handbook on the College Website on:

<https://www.stedwards.nsw.edu.au/curriculum-learning/independent-learning/>

YEAR 12 TRIAL HSC EXAMS

The HSC Trial Examinations will begin on Monday 31 July and conclude on Monday 14 August. These examinations are the final piece of assessment in many of the HSC courses and significantly contribute to the HSC final mark. I would like to wish all Year 12 students every success in these examinations. The Trial HSC Examination Timetable is available on the College website on:

<https://www.stedwards.nsw.edu.au/news/hsc-trial-examination-timetable/>

ST EDWARD'S COLLEGE OLD BOYS UNION

The St Edward's College Old Boys Union will be holding a Back to Eddies Day for past students on Sunday 10 September. The day will begin at 1.00pm and conclude at 4.00pm. A BBQ, live entertainment, soft drinks and beer supplied by Six String Brewing Company (whose owners are old boys from St Edward's) will be available on the day. This is a wonderful opportunity for ex-students to visit the school, tour the facilities and engage with old school friends to reminisce about their time at St Edward's. The Old Boys are looking to establish a directory for ex-students to advertise their business as a free service for members of the organisation. Invitations will be emailed to ex-students for who we have current details as well as being available on the Old Boys Facebook page on:

<https://www.facebook.com/StEdwardsEastGosfordOldBoysUnion/>

It would be greatly appreciated if current parents could pass on this information to any old boys that they know, encouraging them to also like the Old Boys Union Facebook page.

PARENTS AND FRIENDS TRIVIA NIGHT

The Parents and Friends association have organised the Annual Trivia Night in support of the Haven Education Centre. This event is to be held on Saturday 26 August in the Edmund Rice Centre. The Parents and Friends Association invites all parents to consider establishing a team to participate in a wonderful evening in support of a great cause. Parents who would like to attend but do not believe that they can make up a team are invited to purchase a ticket and you will be able to join a team on the night. Further details regarding the Trivia Night are available on the flyer below. Any parents who would be able to assist in the organisation of the night or who would be willing to donate prizes are asked to contact the P & F on the following email: pandf@stedwards.nsw.edu.au

CANTEEN

The canteen is looking for any new volunteers to help in the canteen. This year our volunteer numbers have halved and we are struggling to get the amount of food made to feed our hungry boys. We try to give the boys good healthy choices at a minimal cost. If we don't get more help this will mean we will have to look for alternative ideas and prices will increase. If you have a spare day over the next 2 terms we'd love to have you help.

You can contact the canteen through the College phone number – 4321 6400.

Thank you, Sue Devetak

HOMELESS MEAL SUPPORT

St Edward's staff, students and parents have been volunteering at Gosford Uniting Church for some years at the Sunday lunch for our local disadvantaged people. The College thanks parents – Louise Waymouth and Maureen May for managing the meal service. We are looking for a parent to join this group to help with the service. This event is approximately every 6 weeks and please contact me if you would like to join in this ongoing local need.

Thank you to the staff, students and parents who supported over the holiday period at Coast Shelter, Gosford Uniting Church, NAIDOC Week events, as well as sports clubs and parish support.

Waterford is a wonderful opportunity to build team effort between staff, students and parents and we thank people for their generous spirit.

WATERFORD

A reminder that this compulsory program is due for all students in Years 8-11, by week 9 of Term 3. The College insists that every student submits the program and on time. Please contact me if you have any concerns.

Term 3 Waterford opportunities include:

- 40 Hour Famine
- Operation Christmas Child
- Kings Cross
- Coast Shelter
- Homeless support Gosford Uniting Church

Students are to find ways in the local community and/or through school-based offerings to complete our program.

Mr Pat Dell (Social Justice Coordinator)

SPORT

Sport Report – Newsletter (Week 1 Term 3)

NSW Rugby Secondary School State 7's:

Well Done to the Open Rugby 7's team who competed in the State Finals held at The Kings School, North Parramatta on Tuesday 27th June.

Drawn in a very tough pool they played and won games against Farrer AC Tamworth and TLSC. The Entrance while they lost close games to Patrician Brothers Blacktown and St Pauls. Due to the closeness of their Pool, they finished in second place and qualified for the Semi-Finals. Unfortunately, after a long day of high intensity footy they went down to Hills Sports High in their Semi-Final.

A fantastic achievement from the team coming away with an Equal 3rd at the State Finals. A big thank you to Mr Foster and Mr Bell for taking the team down to the competition.

U14 Futsal:

Well Done to the boys who came away with an Equal 3rd placing in the Northern NSW Finals held at Newcastle Basketball Stadium on Tuesday 27th June.

The team played pool games against Kotara HS, Kurri Kurri HS, Toronto HS and lost in the Semi - Finals.

Central Coast All Schools Rugby League Finals Day:

In a big day of football was held at a rain affected Brendan Franklin Oval Terrigal, to contest the Central Coast Finals.

St Eddies had 3 teams - the U13, 14 and 16's teams playing on the day.

The U13 team played TLSC in their game. Both teams were evenly matched and scored early in the first half, to see TLSC lead 6-4. The boys from St Eddies consistently put TLSC under pressure in attack with some slick movements in the wet conditions. With time running out St Eddies tried a short drop-out which resulted in a penalty. TLSC scored from this and the final score being 12-4. A great result against a very good TLSC team.

The U14 team played BWSC in their game. Down a Coach and a few key players, the St Eddies team knew they had a tough task ahead. BWSC played some good football to score first and put the St Eddies boys under pressure. A tremendous team fight back saw the boys hit the front early in the second half and hold on to win a close game 14-12. A fantastic team effort across the board.

The U16 team came out firing in their game against MacKillop CC. Lead by Reece Piepers, Brae Verheyen and Riley Stevenson, St Eddies dominated ball possession and applied relentless pressure to their opposition. This resulted in a very one-sided result seeing the St Eddies boys run away winners 28-4.

Well Done to all players involved on the day. A big thank you to the Coaches and Yr 11 Sport Coaching boys who assisted the teams on the day.

NATIONAL CONSISTENT COLLECTION OF DATA FOR STUDENTS WITH A DISABILITY

The Nationally Consistent Collection of Data on School Students with Disability (the national data collection) is an annual collection that counts the number of school students receiving an adjustment due to disability and the level of reasonable adjustment they are receiving. This information helps teachers, principals and educational authorities better plan to support students with disability so that they may take part in school on the same basis as other students.

The national data collection provides an opportunity for schools to review their learning and support systems and processes with the aim of improving education outcomes for their students with disability. This will take place in August and only involves numbers, not personal information.
