

THOUGHT FOR THE DAY

Edmund Rice Education Australia Touchstone Liberating Education

As a Catholic School in the Edmund Rice tradition we aim to serve the needs of each person, providing teaching and learning experiences that are authentic, relevant, dynamic and creative.

St Edward's is very proud of the creative talents of students at the College. Teaching staff work hard to provide teaching and learning experiences that are authentic, relevant and dynamic allowing students to develop and demonstrate a vast array of talents. The creativity of Year 12 students was on display once again this week at the Industrial Technology, Visual Arts and Photography Exhibition. Students have worked diligently under the guidance of their wonderfully gifted teachers in these fields to develop their Higher School Certificate portfolio and major works in these subjects. The Industrial Technology major works were examined on Thursday and the Visual Arts major works have been packaged and sent off to be marked externally. Samples of student work in these subjects appear below. Similarly, the HSC Drama individual and group performances were examined this week, by examiners appointed by the NSW Education Standards Authority. The Drama performances contribute to sixty percent of the student's final grade. In the coming weeks, the HSC Music class will also have their performances assessed by external examiners as will the French Continuers students on their oral skills.

All students studying these courses must be congratulated on their application and effort throughout the HSC year. Their creativity, passion and skill are to be celebrated, as is the dedication of their teachers in fostering their talents.

FROM THE PRINCIPAL

2018 COLLEGE CAPTAIN AND VICE CAPTAIN

Today we celebrated the Prefect Investiture Mass. At this Mass, we acknowledged our outgoing prefects for their work over the last year and officially presented the newly elected prefects to the school community. It is with great pleasure that I announce the College Captain for the 2018 School year is **Adam Bing**. **Freddie Burraston** and **Patrick Rosee**, who have been elected as College Vice-Captains, will support Adam in this role. These three young men are excellent examples of the quality of students and leaders at St Edward's College. I look forward to working with Adam, Freddie and Patrick and the prefect group over the coming year in serving the College community.

Adam Bing
College Captain 2017/18

Freddie Burraston
Vice-Captain 2017/18

Patrick Rosee
Vice-Captain 2017/18

At the recent Prefect Induction Day, and at today's Investiture Mass, we prayed that we will become companions in the journey of leading the College community. The prayer that appears below highlights the great privilege and responsibility that we hold in serving the students and community of St Edward's.

Companions on the Journey of Leadership

Jesus and His disciples had a unique relationship,
One based on mutual respect,

An openness to learn from one another,
And a common vision:
To Spread the Word of God!

As companions in leadership we have an opportunity
To form a very similar relationship.

May our journey lead to the joy
That comes from getting to know each other,
And sharing our unique talents and gifts
While we work together toward our shared goal:

To provide leadership and service to the students of
St Edward's College.

Lord Jesus, You have called us to lead,
You have called us to serve.

Bless us on this most noble and sacred journey!
Live Jesus in our hearts
Forever

YEAR 12 GRADUATION

Please note graduation tickets are now available for purchase from reception. Tickets are \$75 each. Year 12 students are asked to organise their tables into groups of 16 (which include parents and a partner or other family member) as soon as possible. Please also advise reception of any mobility issues or dietary requirements when purchasing your tickets. Any requests for additional tickets must be made in writing to Mr Bonnici.

WATERFORD PROJECT

Students are reminded that it is a College expectation that their Waterford, Community Service hours need to be completed by the end of term three. Some students will need to work hard over the remaining three weeks of this term to complete this requirement. Students who are looking for ideas on community service projects are encouraged to work with their Religious Education Teacher and Mr Dell. I ask that parents take the time to discuss with their son their progress on attaining the necessary hours.

ST EDWARD'S COLLEGE OLD BOYS UNION

The St Edward's College Old Boys Union will be holding a Back to Eddies Day for past students on Sunday September 10. The day will begin at 1.00pm and conclude at 4.00pm. A BBQ, live entertainment, soft drinks and beer supplied by Six String Brewing Company (whose owners are old boys from St Edward's) will be available on the day. This is a wonderful opportunity for ex-students to visit the school, tour the facilities and engage with old school friends to reminisce about their time at St Edward's. The Old Boys are looking to establish a directory for ex-students to advertise their business as a free service for members of the organisation. Invitations will be emailed to ex-students for who we have current details as well as being available on the Old Boys Facebook page on: <https://www.facebook.com/StEdwardsEastGosfordOldBoysUnion/>.

This event is gaining great interest within the wider St Edward's community and it would be greatly appreciated if current parents could pass on this information to any old boys that they know, encouraging them to also like the Old Boys Union Facebook page.

Mr Mark Bonnici (College Principal)

CANTEEN

The canteen is looking for any new volunteers to help in the canteen. This year our volunteer numbers have halved and we are struggling to get the amount of food made to feed our hungry boys. We try to give the boys good healthy choices at a minimal cost. If we don't get more help this will mean we will have to look for alternative ideas and prices will increase. We may also have to look at cancelling lunch orders on Fridays. If you have a spare day over the next two terms we'd love to have you help. You can contact the canteen through the College phone number – 4321 6400. Thank you in advance

Mrs Sue Devetak (Canteen Supervisor)

40 HOUR FAMINE

Close to 7000 has been raised by our boys and families. Thank you and well done!

WATERFORD IS DUE IN WEEK 9

Please check with your son about his Waterford progress. It is now the responsibility of the boys to complete the compulsory program in their own way as the college has offered numerous opportunities throughout the year. Last minute examples/ways for boys to complete the program include

- 40 hour Famine (10 hours)
- Edmund Rice International

Please ask your son to see me if he needs help to complete Waterford in the next few weeks.

REFUGEE AND ASYLUM SEEKER FACTS

1. It is not illegal to seek asylum to Australia
 2. There is no queue
 3. Australia receives a very small percentage of asylum seekers, by world standards
 4. Nearly all asylum seekers are peaceful members of Australian community
 5. A large number of asylum seekers are fleeing persecution
- Part of our young men's education is to establish differences between myths and facts and St Edward's aims to do that.

Mr Pat Dell (Social Justice Coordinator)

BELGIUM and FRANCE 2017

The St Edward's school trip to the Netherlands, Belgium and France will soon be departing. From Thursday 21st September until Friday 6th October, a group of 31 students, staff, parents and friends will experience 16 days of History and Culture in Europe. With the focus this year being on History and French, we will be having a wonderful experience of History in the Netherlands, Belgium and France, learning so much about the world wars and their effect on all of us. In particular, we will be remembering the contribution of so many young Australian men who gave their lives for our freedom.

If anyone in the St Edward's community has a relative who is buried in Belgium (near Ypres) or France (in the Somme region) we may be able to visit the gravesite, hold a little ceremony and leave a small memento from St Edward's.

Please email me with the details of your relative if you would like to be involved in this special way during our school trip. ppapeix@stedwards.nsw.edu.au

School Traffic and Parking Around Your Local Community

Parking rules are designed to stop vehicles from parking where it would be dangerous or inconvenient for others. Please consider the residents when parking in streets surrounding your school.

You must not stop your vehicle (that is, bring it to a stop and either stay with the vehicle or leave it parked) in the following circumstances:

- ❌ Double parked (that is in the road alongside a car that is parked)
- ❌ Across a driveway or footpath
- ❌ On a median strip or traffic island
- ❌ On footpaths and nature strips
- ❌ On or within 20 metres before and 10 metres after a children's crossing or pedestrian crossing

- ❌ Within an intersection
- ❌ Within 10 metres of an intersecting road at an intersection without traffic lights unless signposted otherwise

- ❌ In Bus Stop, Bus Zone, Taxi Stand or Taxi Zone signed areas
- ❌ At least one (1) metre from any other parked vehicle, close as possible and parallel to the kerb, and facing the same direction as the traffic lane

- ❌ Within three (3) metres of any double centre lines
- ❌ Within 20 metres before and 10 metres after a bus stop

Adherence to signposting, linemarking and road rules around your school will assist in providing a safe environment for the school community and residents.

- ✓ **School Bus lights** – buses use signs and orange flashing 'wigwag' lights to warn motorists and pedestrians that they are picking up or setting down school children. The lights begin to flash when the bus stops and the doors are opened. They keep flashing for about 30 seconds after the doors close and continue even after the bus moves off. You must not drive past the bus in the same direction at more than 40 km/h while the 'wigwag' lights are flashing as there may be children crossing or about to cross the road.

- ✓ A **School Zone** is the area around a school with a speed limit of 40 km/h. Between the School Zone and End School Zone signs you must obey the school zone speed limit. The school zone speed limit only applies on gazetted school days and during the times shown on the sign.

- ✓ A **No Stopping Zone** means no stopping at any time.

- ✓ A **No Parking Zone** means that you must not stop for more than two (2) minutes. You must remain in or within three metres of the vehicle. - No Parking Zones are suitable for 'Kiss & Ride' – but you must abide by the rules.

- ✓ A **Bus Zone** means that the area is restricted for bus use only. If hours of operation are shown, the restriction only applies to this time. You may use this area outside of these times.

For more information regarding parking restriction around your school please contact Council's Road Safety Officers via email at roadsafety@centralcoast.nsw.gov.au

The Surf Rescue Certificate is for young people aged between 13 and 15 years.

Bronze Medallion course provides participants (15 years and up) with the skills and knowledge of patrolling and surf awareness in order to be able to participate in lifesaving operations.
