PEER TUTORING

The purpose of peer tutoring is to assist other students in your own year cohort (or younger) in subject areas they find difficult.

PROCESS

1. See Mrs Kiekebosch, Mr Dell or your Year Coordinator to find out a student who needs your support. You may choose a neighbour or relative.

2. Meet them on a regular basis to help them in their areas/s or need;
    eg, Maths, English, homework, assignments, computers …

3. Keep a log of your peer tutoring.
