

Frequently Asked Questions

What's included in Gateway Services?

Designed to provide you with a suite of resources to explore and connect to job options, Gateway includes an online career assessment; GuideU, a resume builder, access to our Discovery Program; a full job coaching resource to guide you every step of the way, and if suitable, connection to real vacancies through our JobsBoard.

Why is it FREE?

Free to you because the service is subsidised by the government under the current AASN contract. Worth noting though, the resources in the Gateway services suite together are valued at more than \$400 per person (rrp).

How do I access Gateway Services?

Simply by registering online at www.sarinarusso.com/apprentices
Registration takes about 10mins and will take you directly to the Sarina Russo Gateway Portal where all of these resources wait for you.

Do you have resources specific for schools?

YES. The Discovery4Schools program is entirely aimed at supporting and resourcing high school students to explore and connect to job options. We have Youth Engagement Officers standing by to engage with schools to offer these services to you. The program, including a comprehensive Teacher User Guide is all waiting and ready for you.
