#### **Southern Cross University – Special Bonus Schemes**

##### **Regional Year 12 Bonus Scheme**

At Southern Cross University we recognise that Year 12 students from our region may not always have the same opportunities as students in capital cities. We add five bonus ATAR points or two OP levels (Queensland selection rank points) for students who attend schools or TAFE colleges in the Greater Gold Coast, Northern Rivers, Mid North Coast, Upper Hunter, Namoi, New England, or North West NSW regions. School leavers from within these regions may also be eligible for the [STAR Early Entry scheme](#).

##### **Special Subject Bonus Scheme**

We believe that your ability to undertake a university course can also be measured by looking at a combination of the Year 12 subjects you have taken at high school and your overall score, rather than looking at your ATAR/OP alone. Southern Cross University may award bonus points to you based on your performance in selected Year 12 subjects that we believe will better prepare you for the demands of your chosen university study.
