

Start a shopfitting apprenticeship

and one day you can:

- be a qualified shopfitter
- be a contractor/employer
- be a business owner

Finish a Certificate III in Shopfitting

A four-year, full-time apprenticeship

Result — you are a qualified shopfitter

Finish a Certificate IV in Small Business

You can do that part-time while you earn money

Result — you are ready to start your own business

Have an obvious impact on your career now

Apprenticeship Engagement
forum

Yes, I want to be a shopfitter
