

# **Start** a signs & graphics apprenticeship

and one day you can:

- be a recognised signs & graphics technician
- be a signs & graphics contractor/employer
- be a signs & graphics business owner

## **Finish** a Certificate III in Signs & Graphics

A three-year, full-time apprenticeship

**Result** — you are a recognised signs & graphics technician

## **Finish** a Certificate IV in Small Business

You can do that part-time while you earn money

**Result** — you are ready to start your own business

# **Follow the signs into your career now**

Apprenticeship Engagement  
*forum*

# Yes, I want to be a signs & graphics technician

Great!
