

Start a wall and floor tiling apprenticeship

and one day you can:

- be a licensed tiler
- be a contractor/employer
- be a business owner

Finish a Certificate III in Floor and Wall Tiling

A four-year, full-time apprenticeship

Result — you are a licensed tiler

Finish a Certificate IV in Small Business

You can do that part-time while you earn money

Result — you are ready to start your own business

Lay out a plan for your career now

Apprenticeship Engagement
forum

Yes, I want to be a tiler

Great! Check out the subjects the tiling industry recommends to get you started.
