

Dear Parents/Carers

2020 Part Scholarships
~ Open to current Year 8 and Year 10 students ~

Through the generosity of various College stakeholders, the College is able to offer one part-scholarship to current Year 10 students and one-part scholarship to current Year 8 students, which will contribute to the costs of schooling for the subsequent two years at St Edward's. Applications for these will open to Year 8 and Year 10 students in Term 4 of each year, for the following year. The terms and conditions of each scholarship are listed below.

Catholic Women's League Part Scholarship (Year 10)

1. That the family of the applicant would normally be unable to pay all the usual tuition and book fees and would otherwise have found it financially difficult to continue his enrolment at the College in senior years.
2. That the applicant belongs to a Catholic family which is actively involved in the Catholic community. That the family is willing to co-operate with the ethos, and policies of this Catholic school.
3. That the applicant has demonstrated the potential and work ethic required from a senior student.
4. The student will be required to make a short presentation at the CWL Annual Lunch towards the end of the year. This is designed to present his achievements and goals to the sponsors of the Scholarship.
5. The scholarship will contribute \$1000 annually in Year 11 and 12 toward the tuition fees of the successful applicant. Remaining tuition fees, specialist subject fees, service fees, sporting fees and building fund contributions remain the responsibility of the family.

Judy Skeahan Bequest Part Scholarship (Year 8)

1. Through the generosity of Mrs Judy Skeahan, the Gosford Conference of the St Vincent de Paul Society has offered the College a part-scholarship which is open to one student who is currently in Year 8.
2. Consideration will be given to an applicant's academic effort and application, participation in school events, parish and community life and general family circumstances.
3. That the family of the applicant would normally be unable to pay all the usual tuition and book fees.

4. That the applicant belongs to a Catholic family which is actively involved in the Catholic community. That the family is willing to co-operate with the ethos, and policies of this Catholic school.
5. That the applicant has demonstrated the potential and work ethic required. Continuation of the Scholarship into Year 10 will be subject to review at the completion of Year 9.
6. The scholarship will cover \$1000 annually towards the tuition fees of the successful applicant over the two years. Specialist subject fees, service fees, sporting fees, remainder tuition fees and building fund contributions remain the responsibility of the family.

If all the above sees it difficult to choose between a number of students, family financial need could be considered. Should the Principal and/or relevant committees find it difficult to separate applicants it may be recommended that two or several half scholarships be offered. The scholarship amount will be deducted in the first billing period each year.

The application form is available on the College website. The student and parent/carer should complete their sections of the application form and then submit via email to principal@stedwards.nsw.edu.au. Please supply any relevant support material which you think may aid the application and attach them to your email. Applications close at 3 pm on Monday 11th November. If you have any questions, please contact Meagan Armstrong on 4321 6403 or via email at marmstrong@stedwards.nsw.edu.au.

All applications will be kept in strictest confidence by the Principal and will only be viewed by the relevant Executive panel.

Yours sincerely

Mr Mark Bonnici
Principal
