

Vinnies Shops COVID Winter Appeal 2020

The local Vinnies Shop is the well-loved face of Vinnies.

Vinnies Shops are run by dedicated volunteers and employees and offer a range of quality clothing, furniture, books, toys and other household items at affordable prices. Each shop is a treasure trove for bargain hunting fashionistas and for people who enjoy reusing and recycling.

Profits from the sale of goods stay in the local community, going directly towards funding our services and programs to assist people experiencing disadvantage and homelessness. Vinnies Shops also directly assist people experiencing disadvantage through the donation of furniture, clothing and household goods.

COVID-19 and Vinnies Shops

In response to COVID-19, all Vinnies shops in NSW have been temporarily closed. While our shops may be closed, we've received a lot of feedback that our customers and supporters would still love to donate to us so we have launched our new donation collection service, **Donation Stations**, across Sydney.

Each of these donation drop off points are now ready to accept quality donations of clothes, bric-a-brac, books and household items for when it's time to re-open. Good quality, clean, pre-loved or unused items are welcome donations while items that are dirty, damaged or broken are not.

REMEMBER: If you would give your items to a mate, then you are most welcome to donate.

Donating to Vinnies Donation Stations

For your peace of mind, our Donation Stations are designed with social distancing measures in mind to reduce risks as much as possible, so we ask that people donate at these specific sites, rather than leaving items outside of shops, donation bins or on the footpath.

Donations Station Sites – Open 9am – 3.30pm daily
