

## **Apprenticeship Opportunities – Join Sydney Trains in 2021!**

Are you looking to start a new career where you can combine hands on practical learning with theoretical technical training that will develop your skills and set you up with a well paid job and rewarding career for life? Then becoming a Sydney Trains apprentice could be just for you.

**Sydney Trains is currently accepting applications for its 2021 Apprenticeship Program.**

### **What we offer**

Our Apprenticeship Program is a four year program (three years for Telecommunications) that combines paid work and structured training, allowing you to learn a trade and receive a nationally accredited qualification while working.

We are currently recruiting apprentices for the following trades:

- Telecommunications
- Signal Fitting
- Signal Electrical
- Substations
- Rail Traction
- Plant Mechanic
- HV Cables

Please read the [Position Description](#) and the [Information Pack](#) before applying to help you decide which trade you would like to apply for. You will be assessed on your understanding of the role and information pack when applying so have it handy.

### **The important stuff:**

- A competitive salary package including pay rate starting at \$607.50 per week or \$923.45 per week for adult apprentices (over 21) plus applicable allowances, employer's superannuation contribution and annual leave loading.
- A structured training program from which you will gain a nationally recognised qualification and potential for a career
- Free unlimited travel on all Trains, Buses, Ferries LightRail within the Opal network
- Rostered 5 weeks Annual Leave

### **Travel requirements:**

This role requires **shift work and overnight travel** to depots and work sites as far as Hamilton, Lawson, Wollongong and across the Sydney Metropolitan area.

## **Why Sydney Trains?**

Life at Sydney Trains is fast moving, challenging and exciting.

Sydney Trains are a world class organisation with one shared vision - to keep Sydney moving. You will contribute to this in your work from Day 1. You might not be frontline staff, but a lot goes on in the background to keep trains on tracks. Sydney Trains has a high performance culture. As an apprentice with Sydney Trains, you will have the opportunity to be part of one of the most progressive public transport models in the world.

Sydney Trains will support you with achieving your learning outcomes and be the best you can be. In return you will need to put in effort, be flexible to work **shift work including nights and weekends** and most importantly, you will bring a 'can-do' attitude to the team.

## **Our Commitment to Diversity**

Great people come from all walks of life. At Sydney Trains, we are committed to creating a diverse, inclusive and flexible workforce which reflects the community and the customers we serve.

We welcome and encourage applications from all people regardless of age, gender, ethnicity, cultural background, or sexual orientation.

## **What are you waiting for?**

As we look to the future we continue to look for apprentices who are passionate, ambitious and committed to be part of something big and exciting. If you are 16 years of age or over, you can apply.

Whether you're a school-leaver, re-entering the workforce or an adult worker simply wishing to change careers this is the perfect opportunity so don't miss out!
