

Personal Learning Device Rental Agreement

The St Edward's College Personal Learning Device (PLD or laptop) is an integral component of education at St Edward's College. This Agreement sets out on what basis, and under what terms and conditions, access to the College PLD Program will be provided to students, using previously used devices owned by the College.

General Information

Under the terms of this Agreement between the College Account Holder and St Edward's College -

*The PLD Rental Fee (\$100.00 per annum) gives the student the means of access to the PLD Program being the supply of the laptop and the services to you for use by the student. Payment of the College PLD Rental Fee is invoiced on the College Tuition Fee Account and payable on the same basis as the Student's tuition fees.

As with the obligations around tuition fees, the financial obligation to the PLD Rental Fee will be for the Parents or Guardians signed as enrolling parties * to cover.

*The components of the laptop and the services provided to the student under this Agreement are set out in Schedule A.

*Ownership of the device is to St Edward's College. This is a rental Agreement.

*You will be required to reimburse the College the cost of repairing or replacing the laptop where damage or loss of the device is not covered by product warranty conditions, or the College insurance program due to the nature of the damages or circumstances of total loss.

*All software contained on the device is under licence to St Edward's College.

*The College always reserves the right to:

- a. decide who uses the laptop and the use to which the laptop is put; and
- b. recall the laptop for specified reason (including upgrading software, inspecting it to check its operational performance and software, and ensuring that the laptop is being used only as provided under this Agreement).

* Technical assistance is available through the Helpdesk maintained at the College from 8.00am to 3.30pm on school days. Students should notify the Helpdesk of any problem or enquiry by completing and forwarding the forms which are available at the Helpdesk or on-line.

Obligations Under the Agreement

1. It is expected that Students ensure the maintenance and care of these devices, in accordance with provided instructions. It is also expected this device be appropriately used in accordance with College Policy for acceptable use of technology. Failure to comply with these stipulations will void the Agreement.

2. The provision of this device is solely for educational purposes for completion of studies at St Edwards College. The device should not be used for any other purpose, private or business. Any propriety use of the device would be a breach of the Agreement and void the agreed terms.

3. You must ensure that:
 - a. The software is not copied, deleted, or transferred, for any reason, without the College's prior written consent.
 - b. Only software authorised in writing by the College is stored or otherwise loaded on to the laptop.
 - c. No illegal or illicit material or electronic data is stored or otherwise loaded on to the laptop.
 - d. The hardware case of the device is not opened, and no additional hardware (including a video card, sound card, network card, modem, or disk drive) is installed in the device, without the College's written consent.
 - e. You will ensure that the student will take all steps that are reasonably necessary to prevent a virus from infecting the laptop (such steps include monitoring any data that is downloaded from the Internet).

6. You are responsible for the back-up of all data on the laptop. The College is not responsible for the loss of any data on the laptop at any time.

7. You indemnify the College in respect of any claims, losses, injury, and damage arising from the use of the laptop and the services.

Maintenance and Repairs to the Device

If there is any issue with damages or faults with the laptop or software programs the device is to be returned immediately to the Helpdesk for assessment. Where work is required on the device which is a warranty issue there will be no cost incurred to yourself and a replacement device will be provided to cover the time whilst repairs are being carried out.

You must not allow any repair, service, or other work to be carried out on the laptop. As this is not a privately owned device you may void any of St Edward's College bulk purchase contract arrangements or warranty agreements in doing so.

Insurance

In the instance where the device has been lost, stolen or damaged (as per the above) a report must be made as soon as possible to the Helpdesk at the College. Where the circumstances of the events are within the boundaries of the College Insurance program the Helpdesk will arrange for an Insurance claim to be made.

When a claim is to be made a full disclosure of events will be required to fill out the claim form for lodgement and, in cases of theft or criminal damage a Police report will be need to be made to go in with lodgement.

There is no requirement for families to purchase private insurance coverage of the College devices. Insurance for the device is managed via the College's insurance program. The cost of contribution to an insurance premium is incorporated into in the PLD Hire Fee. No additional charge is incurred unless -

1. Should a claim be made in respect of the damaged laptop, you will be charged an excess of **\$100** per claim
2. Should a claim be made in respect of the loss or theft of the laptop, you will be charged an excess of **\$200** per claim.

Termination of Contract or Leaving St Edward's College

If, for any reason, the PLD Contract is terminated or enrolment at St Edward's College is terminated the device under loan must be returned to the ISD area as soon as possible. You must ensure that the laptop is in good condition and working order when it is returned to the College or incur repair or replacement costs if they are not covered by the warranty or insurances.
