

Preamble

St Edward's College proudly presents our first innovative Reconciliation Action Plan. St Edward's is a member of the Edmund Rice Education Australia schools' network that offers a liberating education based upon a Gospel spirituality, within an inclusive community committed to justice and solidarity. The values that underpin the Touchstones of Edmund Rice schools provide a blueprint that establishes our direction and defines our goals, ensuring that we follow the vision of Blessed Edmund Rice as we seek to make the Gospel a living reality within our community.

In line with this vision, St Edward's has made a commitment to live out the message of love and inclusion, particularly regarding Aboriginal and Torres Strait Islander peoples, refugees, people of other faiths, sexual orientation and gender.

St Edward's has made a commitment to reconciliation through the establishment of our first Reconciliation Action Plan which is a formal acknowledgement of this commitment. The plan is aspirational and designed to challenge our community, providing guidance as we walk alongside Aboriginal and Torres Strait Islander peoples in our nation's journey towards reconciliation.

St Edward's acknowledges the harm that has been done to Aboriginal and Torres Strait Islander peoples throughout our history and all that has resulted, including the Stolen Generation. For this, we are truly sorry.

Importantly St Edward's acknowledges the strengths and resilience shown by Aboriginal and Torres Strait Islander peoples, cultures and communities in the face of discrimination, and we aim to celebrate the continued significance of Aboriginal and Torres Strait Islander contributions in shaping a shared sense of national unity and identity.

We acknowledge Aboriginal and Torres Strait Islander peoples as the Traditional Owners of the land on which our school is situated and we respect and honour Aboriginal and Torres Strait Islander Elders past, present and future. We acknowledge the stories, traditions and living cultures of Aboriginal and Torres Strait Islander peoples on this land and commit to building a brighter future together.

College Principal
RAP Committee Chair

Vision Statement

The St Edward's College community vision for reconciliation aligns with the EREA Touchstones. We strive for a united and respectful understanding of Aboriginal and Torres Strait Islander rights, culture and its peoples.

At its heart, our vision for reconciliation is to further develop the teaching and understanding of Australia's true history and ensure an educationally authentic and inclusive College, which strengthens its relationships with all community members.

We embrace walking alongside all Aboriginal and Torres Strait Islander people, with an open mind and heart to establish a respect and kindness for ourselves and others that will nurture a school culture that promotes equality for all Australians.
