

12 August 2022

Dear Year 10 Parents and Carers,

We are at the stage in the year where we are working on the 2023 College timetable, class structures and student enrolments for all year groups. Recently, Year 10 students completed the process of subject selection for the Preliminary and HSC years. At the time of selection, we encouraged all boys to choose their preferences with an understanding that some students may not have made the final decision to return to St Edward's for their last two years of schooling, but may be looking at entering the workforce, commencing a TAFE course or attending another school. To assist us in our planning for next year, we need to confirm with all Year 10 families if it is your intention for your son to return to St Edward's in 2023, to allow us to finalise subject choices.

An important part of the process of commencing Years 11 and 12 at St Edward's requires students to acknowledge and agree to abide by the high expectations that we have in relation to application, effort and commitment to the full educational program on offer in the senior years. Year 10 students who plan to return in 2023 are therefore asked to complete a declaration, acknowledging their commitment to meeting the expectations of a senior student at the College. This declaration is available on the following link:

[STUDENT AGREEMENT – YEARS 11 & 12](#)

Students are asked to complete this online declaration by Friday 26 August. Completing this form will also act as confirmation of your son's return to St Edward's College in 2023.

If a family has made the decision that their son will not be returning to St Edward's in 2023, we ask that you email Mrs Kellie Atkinson, College Enrolment and Community Liaison Administrator, at enrol@stedwards.nsw.edu.au, indicating the pathway your son will be following next year.

Please do not hesitate to contact me on 4321 6400 or at principal@stedwards.nsw.edu.au if you have any questions or would like to discuss the information outlined in this letter.

Yours sincerely

Cameron Alexander
Acting College Principal
