Good afternoon Parents and Carers

The Semester 2 Reports for Years 7 – 10 are now available for parents and students to view on the College Portal.

We encourage all families to take the time to read and discuss with their son the information provided in these reports.

Opportunity will be provided for all boys to establish new learning goals in 2023 and your son taking time to reflect on his results, and in particular teacher comments, will assist in this process.

Year 11 students will receive their next official report from the College after the HSC Mid-Course Exams which are traditionally held in the last two weeks of term 1 next year.

I wish all families a safe, happy and holy Christmas with family and loved ones.

God Bless

**Mark Bonnici**
