

21 February 2023

It was lovely to meet so many of you at our Parent Information Evening last Thursday. I look forward to getting to know each of our families in the months and years ahead. A few reminders about Year 7 camp tomorrow:

Departure Times: The buses will be leaving at 8.00am so please drop your son at the Russell Drysdale St entrance (bus shelter) between 7.30am and 7.45am

We are aiming to arrive back between 2.15pm and 2.30pm. If we are delayed, we will pass on this information via our Facebook page and College App. (Please wait for your son inside the College grounds on the basketball court and not on the footpath)

Contact Details: If you are running late, please let me know on 0455 344 197.

The satellite phone for use in OVERNIGHT EMERGENCIES ONLY is 0406 321 889.

For any other messages please contact the College Reception on 4321 6400 and they will contact me.

Luggage: With rain predicted please ensure that pillows and sleeping bags are carried in a weatherproof bag so that their bedding is dry for Wednesday night.

Day bags: Students will not have access to their main bag until Wednesday evening. Please ensure that their raincoat and swimming gear including water shoes and towel are packed in their day bag. It is important that your son has an effective raincoat.

Medication: ALL medication must be handed in to me on Wednesday morning. Please have it in a Ziplock bag with an A4 sheet with your child's name, medication, dosage and times. Please provide only enough medication for the three days as I may not be able to return unused medication to you in the busyness of Friday afternoon pickup.

Phones: Please ensure your son's phone remains at home.

We are looking forward to a great experience with your sons!

Kind regards,

Heidi Englund
Year 7 Pastoral Leader
