

9 February 2023

Dear Parents and Carers,

### Year 7 Information Evening | Thursday 16 February 2023

It is wonderful to share with you how well our new Year 7 Eddies boys have started the year. They have quickly settled into the routines of high school and are becoming aware of the expectations that we have regarding their behaviour, application, and effort. They appear to be adapting to the step up into high school well, although it's all still new, and they have a great deal to become accustomed with, they are smiling, asking questions, and seeking advice from their teachers.

Commencing high school for many boys can provide various challenges and their teachers are the best source of advice, in particular their Core Teacher in Year 7. For some parents, particularly if your son is your eldest starting high school, you will have many questions, about routine, our approach to pastoral care, our approach to learning or representative sport.

This evening will provide an opportunity for you and your son to meet other families along with key staff.

Please note this is not an evening for individual parent-teacher interviews, information regarding student led conferences will be provided later in the Term.

#### Details:

5.30pm	Welcome to Country and Smoking Ceremony (Quadrangle)
6.00pm-6.30pm	BBQ (Concourse of the Shanahan Learning Centre)
6.30pm	Meet Core Teacher in core classroom
7.00pm-7.30pm	College information in the ERC

Please contact Kellie Atkinson, Enrolment & Community Liaison Administrator on 4321 6420 or via email [katkinson@stedwards.nsw.edu.au](mailto:katkinson@stedwards.nsw.edu.au) if you have any questions.

Yours sincerely,

**Mark Bonnici**  
College Principal
