Dear Parents and Carers

It is exciting that we now offer all students in Years 7-10 afternoon sporting and personal interest activities between 1:00pm and 3:00pm every Friday. I ask for your full support in ensuring students attend these mandatory activities, as they are an important part of their experience at school and our College culture.

It is also important to understand that **all students are expected to catch the buses (or travel with their school group) back to school if they are at an external venue on Friday afternoons, regardless of how close students may live to the venue.** This is a Risk and Compliance matter and the College has a duty of care to ensure all students are supervised until 3:00pm, when the school day ends and they make their way home.

Once again, we appreciate your support in ensuring all students have a safe and enjoyable school experience on Friday afternoons.

Kind regards

Keith Mills
