Dear Parents and Carers of Year 12

This email is to inform you that to continue to support your son in the lead up to his HSC, Elevate Education will be running a study skills workshop during his normal English lesson on Monday 4 September.

The workshop will focus on the six common mistakes students make with exam preparation and how to address these, including:

- Highest value exam preparation tasks
- Fixing mistakes to ensure constant improvement
- Time allocation during exam preparation
- Techniques for managing stress & time pressure in exams.

The workshop is compulsory for all students who study Standard or Advanced English, as they will be sitting at least one examination for the HSC. For students studying English Studies, the workshop is optional, and these students have been emailed a link to indicate if they would like to attend.

Warm regards

Tom Anderson
