

# Hornsby BMW

BMW Dealer

To the Careers Advisor,

I'm getting in touch to seek enthusiastic applicants to the competitive BMW apprenticeship program. This program consists of in-house learning alongside a TAFE course and specific BMW training conducted by BMW Australia at the BMW Training Academy in Melbourne.

We are looking for students that have a passion for all things automotive and have the desire to pursue an exciting and challenging career. Recent changes in the automotive industry, such as the increase in numbers of electric vehicles, combined with BMW being at the leading edge of automotive technology, mean this is now a career that will challenge future technicians both academically and practically.

With limited places available, the successful applicants will be selected through a rigorous recruitment process. After an initial interview with our workshop management team, we will schedule a couple of days of work experience which gives the applicant a taster of what it is like working alongside our team of technicians. During this time, we ask the applicant to sit a written aptitude test designed to give us an understanding of their suitability for the apprenticeship.

In January 2024 Hornsby BMW will be in an exciting position to enrol multiple apprentices due to our recent growth. For students considering an apprenticeship in automotive, we are hosting an open evening at the dealership:

Hornsby BMW Apprentice Open Night  
6:00pm Tuesday 7<sup>th</sup> November 2023  
56-62 Pacific Highway Waitara NSW 2077

We encourage the applicant to bring their parents or guardians along. On the evening we will tour our state-of-the-art facilities, provide information regarding the apprenticeship, and students have the opportunity to meet current BMW Technicians and apprentices to give insights into the apprenticeship. To register an applicant's interest please scan the provided QR Code.

If you have any questions or wish to discuss potential applicants, please do not hesitate to contact me.

Regards,

Michael Di Lieto
