2 November 2023

St Edward's College Library would like to invite you to participate in a shared reading experience with your son over the school holidays. All you have to do is complete the attached survey where you will choose a book for you and your son to read together, and the library will do the rest. Your son will bring home two copies of the book you have chosen, and you can read and discuss the book at your leisure.

This is a great way to encourage reading for pleasure as stories are always better when you have someone to share them with! Please discuss this with your son and hopefully choose the book together. The form will close on Friday 17th November.

Happy reading!

Kind regards
