

## Variation of Routine Regional Industry Education Partnerships (RIEP)

### RIEP & Peninsula Village SBAT & Traineeship Info Session

<b>Description:</b>	The RIEP & Peninsula Village SBAT & Traineeship Info Sessions provides students and school leavers with information on the various career pathways within the aged care sector.
<b>Objectives:</b>	The program combines both informational and experimental elements. Opportunity for students to have a greater understanding of career pathways, improve links between local school students and industry. Exposure to career interest areas, practical skill-sets, improve student engagement in work environments, work experience opportunity, enhancing employability skills.
<b>Background:</b>	Peninsular Village has a number of SBAT and main-stream Traineeship opportunities for students interested in starting their career in the care sector. The program aims to build awareness of the types of work and career pathways on offer. This would be ideal for students and school leavers considering a traineeship pathway in the care sector.
<b>Cost:</b>	Nil – RIEP funded program.
