6 November 2023

Dear Year 10 Parents/Carers

We are looking forward to a wonderful camp experience next week!

In order to ensure our students are safe at all times, we remind you to please send all required medication with your son Noah on Monday 13<sup>th</sup>. This includes asthma puffers (preventers and relievers), EpiPens, diabetes equipment and prescription tablets. We would like to encourage the students to be more accountable and responsible for the management of their conditions. Students will be expected to hold and administer their own medication, but they may receive assistance from their supervising teacher.

If for any reason you need to contact the group while they are away at camp, the phone number for the camp venue is (02) 6457 2788.

If you have any questions or concerns, please direct them to myself or to Mr Powell.

Warm regards

**Josephine Emmett**

Leader of Risk and Compliance
