RE: 2024 School Immunisation Program-Online Consent for Year 10 students

Dear Parents and Caregivers

If your child is in Year 10 this year, you can now provide online consent for their routine school vaccinations that will take place on the dates below:

- Year 10-Tuesday 20 February
- Year 10 Catch-Ups-Tuesday 5 November

In Year 10, students are offered the meningococcal ACWY vaccine.

Vaccination will only be provided at school if consent has been received.

How to provide consent:

1. To complete online consent for your child's school vaccinations, visit: <https://nswhealth.service-now.com/school>
2. Follow the steps to log in to your existing ServiceNSW account. This is the same account you may already use to renew your driver's licence. If you don't have a [ServiceNSW](#) account, refer to [ServiceNSW](#) to create one.
3. Update or confirm your personal details in ServiceNSW as required.
4. Complete the School Vaccination Consent Form for your child/ren. You will need to:
 - a) Enter your child's personal details
 - b) Provide the Medicare card details for you and your child
 - c) Read the [linked Parent Information Sheet and privacy statement](#)
 - d) Provide consent.

If you or your child do not have a Medicare card, consent can still be provided by requesting a paper-based consent form directly from the school.

The benefits of providing consent online:

- easily update your child's details
- receive SMS and/or email notifications when vaccinations are given
- faster upload of vaccination records to the Australian Immunisation Register (AIR).
