

# Open doors to a new life

TAFE NSW offers hundreds of courses, diplomas, and degrees that you can study either online, or at any of our 130 locations around the state.

## Why choose TAFE NSW?

With our diverse range of courses, strong industry connections and approaches to learning that suit all needs, we will help you to get the job you want.

### You come first

TAFE NSW has been evolving and adapting to the training and education needs of NSW for over 130 years. We exist to create outstanding learner experiences and provide quality and personalised services that allow you to achieve your goals.

### You are an individual

You're never just a number at TAFE NSW. Our small class sizes, student services and social facilities all create an incredibly strong support network. We will always ensure that you receive expert support in your specific area of interest.

### Quality education

We partner with employers to provide mentorships, internships, work placements, and real world learning. Whatever your course, you will develop current, practical skills through both real and simulated work environments.

### Strong industry connections

Our ambition is to help you with your career goals. With hundreds of partner organisations, and relationships with thousands of employers, we offer up-to-date industry insights and prime networking opportunities to help you develop relationships with industry. You will also discover an invaluable professional network among your teachers and fellow students.

### Excellent reputation

Our teachers have worked in their industry and are passionate about their field. We know they are the best at what they do, because that's what our graduates tell us. Teachers combine their industry experience with a friendly, relaxed and supportive approach. That's why TAFE NSW enjoys an excellent reputation as one of Australia's leading education and training providers.
