

This program is ideal for sports enthusiasts, offering students access to top-tier high-performance facilities and leading industry experts in sports and business.

Study a dual diploma in a sports-focused setting. Theoretical learning and assessment is delivered by TAFE NSW industry experienced teachers; combined with the opportunity for practical experience supported by South Sydney Rabbitohs staff and players.

Key components that will enhance the student experience and distinguish this program from other sports programs include:

Pathways into a variety of under-graduate programs at university

By completing the BSB50420 - Diploma of Leadership and Management SIS50122 - Diploma of Sport, Aquatics and Recreation Management as part of the South Sydney Rabbitohs and TAFE NSW partnership, students will have access to a nationally recognised suite of diploma-to-degree pathways.

Hands-on learning across an elite sporting organisation

Students' theoretical learning will be supported by 100 hours of work-integrated learning that will be provided across various departments at the club.

Study at the world-class USANA Rabbitohs Centre, rubbing shoulders with players and staff

The program will be hosted at the brand new state-of-the-art USANA Rabbitohs Centre in Maroubra, home of the South Sydney Rabbitohs. Parts of the program content will also be delivered online to support flexible student learning.

Potential to be considered for one of two graduate roles at the South Sydney Rabbitohs

The Rabbitohs commit to hiring a minimum of two students from each completed cohort into graduate roles across various departments in the organisation. Additionally, students who complete their 100 hours of work-integrated learning may also be considered for casual work throughout the course.
