

ST EDWARD'S
COLLEGE

WHERE YOUNG MEN ACHIEVE

A Day in the Life

of a St Edward's student....

What the day will look like...

There are LOTS of year 6 students who join us on "A day in the Life". Usually about 250!

Students will come from over 30 different schools.

Some students will already have friends from primary school, while other students may not know anyone yet. It is a great opportunity to meet new people!

It is a big, exciting day and a lot of students will be very nervous. So if you are feeling this way, you won't be the only one!

What happens on the day?

- Students will be divided into large groups (approximately 50 students). This means you will be with students from your own school, as well as other schools.
- Each group will follow a different rotation during the day that will include; Library, PDHPE, Art, Music, TAS-Timber and Science.
- Each rotation will be run by a St Edward's College teacher that is assisted by Year 10 students.
- Each group will be led by Year 10 students and teachers either from your primary school (feeder schools) or St Edward's staff (if from a non-feeder school)

Arriving

Feeder school students arrive and depart via bus
(St Patrick's walks)

Non- feeder students are asked to dropped at
the **ERC entrance from 9.15am** and collected
from the same located at 2pm

What to wear?

Sports school uniform (including hat) should be worn

What to bring....

You will need to bring recess, lunch, and a water bottle.

2025 Timetable
