25th March 2025.

Dear St Edward's College.

Hello, receive a lot of greetings from my family and I here in Kenya. I hope that you are all doing well. I am writing this letter to give you updates on how I am doing here in Kenya.

First we have been attending the Computer classes here at the Organisation as from January and they will be ending on 20th of May. I am really thankful to the Organisation for giving us such a chance. Because through it I am able to design things mainly by the use of Adobe Photoshop. And the skills I may apply them in future and get something to help myself and my family.

Also I did my applications on the joining the next level of Education but I have not yet been placed. I want to pursue in Hospitality under a course catering. It's my hope that I am going to be placed very soon and continue with my learning.

Lastly I want to take this chance to thank you all for assisting my parents in paying my school fees. May God bless you.

Yours Faithful Son,
Fredrick Were.
